**19. NAMIE HOME** presents a luxurious collection of eco-conscious home decor, merging timeless elegance with sustainability. Discover thoughtfully crafted pieces that transform your space into a refined sanctuary at

**20. DESIGN SIRPA JARVIO** offers a collection of Finnish handmade design wall and pendant lamps, using high quality, FSC-certified birch or oak. Every product is durable and eco-friendly. The lamps are designed to bring an elegant ambiance and Scandinavian charm to homes and public spaces. Visit [www.designsirpajarvio.com/en](http://www.designsirpajarvio.com/en) and follow @designsirpajarvio on Instagram.

**21.** Proud creators of sumptuous home textiles since 1850, **CHRISTY** is a heritage British brand born in Manchester. Honouring a rich tradition in premium cotton, Christy's luxury towels, bed linen, loungewear, and accessories are crafted to transform routines into revitalising rituals. Visit [www.christy.co.uk](http://www.christy.co.uk) and follow @christy\_home on Instagram.

**22. D'ARK ATELIER**, established in 2020 by visionary architects Ivan Bello and Franklind Jesku, operates at the confluence of Venice and Copenhagen. This interdisciplinary atelier intricately weaves together architecture, design, handcrafts, and rigorous research. Housing both architects and skilled artisans, "dark" translates to "de arkitektura", symbolising a profound exploration of darkness. This concept embodies a commitment to collaborative and boundary-pushing ideas, aiming to inspire transformative architectural thought. Visit [www.dark-atelier.com](http://www.dark-atelier.com) and follow @darkatelier on Instagram.

**23.** Helsinki-based designer **ROOSA RYHÄNEN** draws on her background in industrial and product design to create objects that exist between function and art. Ryhänen enjoys challenging commonalities, taking her work to curious destinations. Her new collection, exhibited at Milano Design Week 2024, arises from the idea that "form follows intuition", exploring how spontaneity can exist in industrially produced objects. Pictured here is the Churro Stool. Visit [roosaryhanen.com](http://roosaryhanen.com) and follow @roosa.ryhanen on Instagram.

**24. TOMMY FRANKS** delivers high-quality, timeless designs that blend a contemporary aesthetic with effortless sophistication, crafted to elevate any interior space. Rooted in Italian heritage and refined in Australia, each piece embodies relaxed elegance and meticulous craftsmanship. Explore a curated collection of inspiring furniture and décor at [www.tommyfranks.co.uk](http://www.tommyfranks.co.uk) and follow @tommyfranksuk on Instagram.

**25.** Introducing **KWERK FURNITURE**: where design meets artful living. Inspired by brutalist architecture, the Dallas Console embraces asymmetrical, minimalist form and sculptural elegance. Crafted from solid American Oak with a Kwerk custom painted finish, the Dallas makes a statement in any space. Visit [kwerkfurniture.com.au](http://kwerkfurniture.com.au) and follow @kwerkfurniture on Instagram.

**26. RACHEL MCBRIDE** is an abstract artist from Northern Ireland. Her paintings are loud, flamboyant pieces, depicting feelings and emotions through an impasto technique, taking the viewer on a journey of self-discovery. A multi-talented artist, Rachel has created a collection of luxurious velvet cushions & handbags from her print range. View online [www.rachelmcbride.co.uk](http://www.rachelmcbride.co.uk) or follow @iamrachelmcbride on Instagram.

**27.** Based in County Clare, Ireland, **LOVE IN LIGHT** offers small-batch, hand-poured candles made from 100% natural, plant-based ingredients. Using soy wax and essential oils, the candles take inspiration from the chakra system, with each of the seven candles aligning with one of the chakras. Vegan-friendly and eco-conscious. Visit [www.liveloveinlight.ie](http://www.liveloveinlight.ie) and follow @loveinlightcandles on Instagram.

**28. TEEMU VIDGREN** is a Finnish designer and interior architect who works with furniture, textiles and spaces. His artworks are a minimalist combination of vernacular and modern design, inspired by Finnish nature and traditional houses; you can also see nuances from Japan and Italy. Beautiful, natural raw materials are strongly visible in his works. Explore [teemuvidgren.com](http://teemuvidgren.com) and follow @teemuvidgren on Instagram.

**29. COMODO LIVING** crafts bespoke UK-made furniture, delivering a tailored and personalised experience. Enjoy 3-4 week turnarounds for beds and 6-8 weeks for stunning marble pieces. Discover the collection at [comodoliving.co.uk](http://comodoliving.co.uk) and follow @comodo\_living on Instagram.

**30. SARA ULLVETTER** is a Swedish design studio and furniture manufacturer, merging the essence of Scandinavian design with a modern twist. Utilising authentic, earthy materials, the collection boasts an inherent charm.

Celebrating the storied Scandinavian craftsmanship, the collection seamlessly fuses tradition with today's innovative designs, delivering pieces marked by elegance, refinement, and poetic expression. All meticulously handcrafted in Sweden of solid Swedish or European wood to last for generations. Visit [saraullvetter.se](http://saraullvetter.se) and follow @saraullvetterdesign on Instagram.

**31. ASTRID MORA** strips her creations of all superfluous elements and strives for authenticity, simplicity and purity, with each piece as an ode to the material, focusing on both texture and colour. She offers project-based work such as custom lighting and tableware for restaurants. Everything is manufactured with great care, and each piece is unique. Visit [www.astridmora.be](http://www.astridmora.be) and follow @astridmora.be on Instagram.

**32. STUDIO ARBORÉ** produces unique fine furniture designed by Maximilian Jochim in Goettingen, Germany. Taking inspiration from the natural landscape around him, he creates products that combine arts and crafts in simple elegance and artisanal honesty. Slow processes and transparency around production result in a sustainable practice. Visit [studioarbo.de](http://studioarbo.de) and follow @studio\_arbo on Instagram.
