**1. COMODO LIVING** crafts bespoke UK-made furniture, delivering a tailored and personalised experience. Enjoy 3-4 week turnarounds for beds and 6-8 weeks for stunning marble pieces. Discover the collection at [comodoliving.co.uk](http://comodoliving.co.uk) and follow @comodo\_living on Instagram.

**2. BENJAMIN KAPOOR** is a Canadian born artist and designer currently living in NYC. With a background in industrial design, Kapoor fuses old-school artistry with modern digital fabrication, concocting innovative works rich in material contrasts that aim to spark a visceral reaction with their audience. Visit [www.benjaminkapoor.com](http://www.benjaminkapoor.com) and follow @benjaminkapoorstudio on Instagram.

**3.** Designed by **TARA SAKHI (T SAKHI)**, Reconciled Fragments coffee tables unite decomposed stone offcuts and metal aggregates from Beirut's local factories into solid resin compositions. Each piece reveals rich, uncontrolled textures, layered depths, and artisanal precision atop oxidised metal legs. Follow @tsakhistudio on Instagram and visit [www.tsakhi.com](http://www.tsakhi.com)

**4.** Tomos Lavatory by **VALVÉ**. Inspired by literature masterpieces that are composed of volumes, the Tomos Collection represents a subjective interpretation of art in symbiosis with the objective function of form. Available in 40 colours of Vallvé's Palette, composed of resin and metal. Visit [vallve.com](http://vallve.com) and follow @vallve\_official on Instagram.

**5. KAS DI KOS** embodies the essence of luxurious living. Their curated collection enhances your style, whether you're indulging in cheeky cocktails or savouring the simplicity of water. Each piece is meticulously crafted to create a unique atmosphere, tailored just for you. Infused with a commitment to sustainability and wellness, their products not only elevate your living space but also nurture your soul. Discover more at [www.kasdikos.co](http://www.kasdikos.co) and follow @kas.di.kos on Instagram.

**6. VERA FLEUR** is a stand-out for retro-inspired designs, created by emerging Australian artist Alexi Fink. Her pieces blend nostalgic charm with a modern twist, making her one to watch in the art world. Explore more at [www.verafleur.com](http://www.verafleur.com) or follow @verafleur.prints on Instagram.

**7. Arborelle** by **NATUREWALL** brings the calming qualities of nature into your home. Crafted with real wood veneer, their premium Fluted and Reeded wall panels echo nature's rhythmic patterns, adding organic textures and timeless elegance to interiors. Explore more at [naturewall.com](http://naturewall.com) and follow @naturewalluk on Instagram.

**8. CHARCOAL** creates accessories for the discerning professional. From a phone case for your iPhone, to an innovative sock thoughtfully designed to be an everyday companion. Visit [www.charcoal.inc](http://www.charcoal.inc) and follow @charcoal.insta on Instagram.

**9. TUDI**, launched in 2023, creates home goods of timeless design and highest quality. From Warsaw, Poland they create products with carefully selected materials that are durable and age well. TUDI is on a mission to make products that last years. Visit [tudi.studio](http://tudi.studio) and follow @tudi.studio on Instagram.

**10.** Based in Dorset, England, **AMBERLEY STONE** is a sculptural stone carver who communicates the tangible perceptions of natural forms into sculptures and functional furniture. Bringing the unending landscape indoors, Amberley converses with the stone, honouring the beauty and energy of each formation. Visit [www.amberleystone.com](http://www.amberleystone.com) and follow @amberleystonestudio on Instagram.

**11. TOMMY FRANKS** delivers high-quality, timeless designs that blend a contemporary aesthetic with effortless sophistication, crafted to elevate any interior space. Rooted in Italian heritage and refined in Australia, each piece embodies relaxed elegance and meticulous craftsmanship. Explore a curated collection of inspiring furniture and décor at [www.tommyfranks.co.uk](http://www.tommyfranks.co.uk) and follow @tommyfranksuk on Instagram.

**12. ETHEREAL PARIS'** fragrance collection, inspired by the 7 chakras, is by renowned French perfumer Antoine Lie. Limited edition body and home scents, in the

**13. SARA ULLVETTER** is a Swedish design studio and furniture manufacturer, merging the essence of Scandinavian design with a modern twist. Utilising authentic, earthy materials, the collection boasts an inherent charm. Celebrating the storied Scandinavian craftsmanship, the collection seamlessly fuses tradition with today's innovative designs, delivering pieces marked by elegance, refinement, and poetic expression. All meticulously handcrafted in Sweden of solid Swedish or European wood to last for generations. Visit [saraulvetter.se](http://saraulvetter.se) and follow @saraulvetterdesign on Instagram.

**14. ETHNIK LIVING's** latest masterpiece, Roland, redefines round mirrors. With a sleek stainless steel frame in a modern steel finish and premium-quality glass, this game-changer elevates bathroom aesthetics. Combining functionality with timeless design, Ethnik Living once again sets the standard for luxury in home essentials. Shop their latest piece, Roland Mirror on [ethnikliving.com](http://ethnikliving.com) and follow @ethnikliving on Instagram.

**15. STUDIO ARBORÉ** produces unique fine furniture designed by Maximilian Jochim in Goettingen, Germany. Taking inspiration from the natural landscape around him, he creates products that combine arts and crafts in simple elegance and artisanal honesty. Slow processes and transparency around production result in a sustainable practice. With signature style, they design furniture for individuals. Get in touch and order at [studioarbore.de](http://studioarbore.de) and follow @studio\_arbore on Instagram.

**16.** Proud creators of sumptuous home textiles since 1850, **CHRISTY** is a heritage British brand born in Manchester. Honouring a rich tradition in premium cotton, Christy's luxury towels, bed linen, loungewear, and accessories are crafted to transform routines into revitalising rituals. Visit [www.christy.co.uk](http://www.christy.co.uk) and follow @christy\_home on Instagram.

**17.** French homeware brand **LA CASANO**, takes inspiration from far afield to further their aim: infuse elegance and poetry into every detail of your interior. Their vision is one of a cosy, functional, and harmonious home, combining elegance with colour, with an emphasis on fine craftsmanship. Talented artisans based in Portugal and India created pieces such as their long cushion, using linen and hand embroidery, ensuring each item is made with care, revealing beauty in every area of your home. Visit [www.lacasano.com](http://www.lacasano.com) and follow @lacasano on Instagram.
